Dear Mr. Ferrater:

Thank you for your prompt action on my recommendations. The extra envelope was for Pennsylvania State, but their application suggests they will write to you for information, at a later time.

I have decided to apply also to the University of North Carolina, however, and would greatly appreciate your writing to them instead of Pennsylvania State.

The address is

Dean of the Graduate School
Chapel Hill, North Carolina;

and they would like you to put my name and department or field of study in the upper right hand corner preceding the letter.

I would greatly appreciate this additional letter, and will bring another envelope should I apply also to Pennsylvania State. With apologies for the number of applications, I send best wishes for the holidays and many thanks for your efforts on my behalf.

Sincere regards,

Catherine Lucas
