Dear Professor Ferrater:

Under separate cover I am mailing to you a copy of my monograph, "Church and State in Franco Spain." If you have any comments or suggestions, please feel free to pass them on to me.

Enrique Tierno Galvan wrote to me a little while ago that he expects to be tried on June 7. If you know of any way to help him, if you know anybody in foreign embassies in Madrid (or among newspaper people representing foreign papers), I am sure every little bit will help. I have written to persons in the above categories, but have no idea what will come of it. I am rather concerned.

With best wishes I am

Very sincerely yours,

William Ebenstein
