Mr. and Mrs. Jose Ferrater
915 Wyndon Avenue
Bryn Mawr, Pa.

Dear Mr. and Mrs. Ferrater:

I exceedingly regret to have to tell you that although Jaime successfully passed his examinations for admission into III Form, that is ninth grade, for next autumn, at the moment we do not have a vacancy for next year.

As you know, prior to the examinations, we had more students applying for admission than we had vacancies. Unfortunately, we were able to squeeze in only a few of the candidates who were examined. It has therefore become necessary for us to set up a waiting list upon which your son's name has been placed.

Anything can happen to the enrollment between now and next fall. In the event we have any unforeseen withdrawal I shall contact you immediately. Would you please confirm, in writing, the fact that you would like to have your son's name kept on the waiting list for admission at the earliest possible moment or, if no vacancy should occur, for September, 1960.

Sincerely yours,

F. Eugene Dixon, Jr.
Director of Admissions
