Dear Professor Mora,

I would like to thank you for your kindness in reading a paper for the Fullerton Club. From all [*regards?*] the evening was quite successful.

I would also like to express my regrets for not being able to attend. I had gone to Washington with the hope of being able to return in time for your paper but events conspired to keep me there beyond a time when I could have made it back for your talk.

Again, many thanks.

Sincerely,

[Signatura]
