Dear Professor Ferrater Mora,

Would you be willing to review the following book for the Journal? (The title is written as it will appear in the manuscript of a review.)

James G. Colbert, Jr. La evolución de la lógica simbólica y sus implicaciones filosóficas. Ediciones Universidad de Navarra, S.A., Pamplona 1968, 341 pp.

The normal maximum length for this review will be 1000 words, and the time limit for completion three months. We have a review copy which we will send you if you are willing to do the review.

We would be very grateful for your help and look forward to your reply.

Sincerely yours,

*Roberta W. Goodwin*
