Professor J. Ferrater Mora  
Department of Philosophy  
Bryn Mawr College  
Bryn Mawr, Penna. 19010

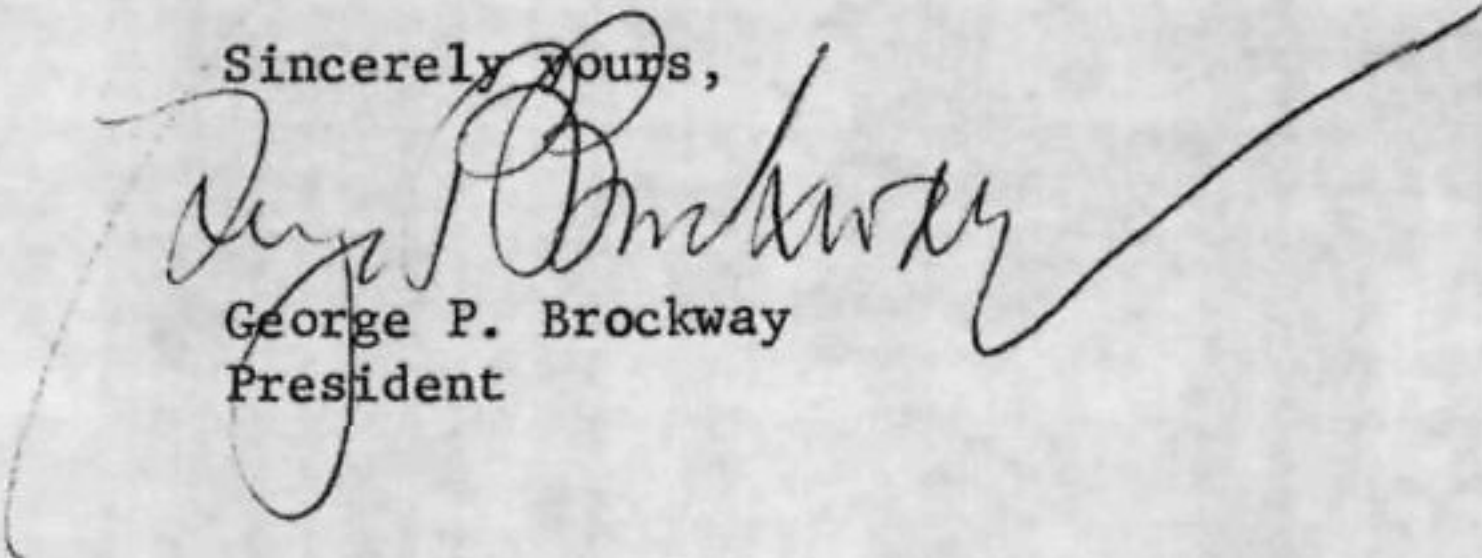

Dear Professor Ferrater:

I certainly sympathize with anyone who has been suffering from back pain, and I appreciate very much your report on Mr. Silver's book on Ortega.

After considering the matter further, and weighing your report along with our own readings, I am afraid we will turn the book down. With the exception of THE REVOLT OF THE MASSES, Ortega's own works sell so meagrely that it would take an extraordinary book about them to have a chance of commercial success.

I enclose our check for \$100, which will, I hope, be an acceptable honorarium.

Sincerely yours,

  
George P. Brockway  
President
