Dear Dr. Ferrater-Mora,

I know these aren't as good as yours, but I hope you like them. Thank you so much for the picture you sent me! It's lovely.

Please, please forgive me for not writing sooner. I wasn't able to check my contact at Little Brown as soon as I would have liked.

Anyway, re: the dictionary of Philosophy –it seems that Little Brown isn't really into publishing reference book very much, as it's doubtful that they'd be interested in a Dictionary of Philosophy. I don't know which publishers you're tried already so you may have tried this one, but if you haven't, how about Godine Publisher? They're a small, very selective publishing house in Boston that might be interested in Philosophy. Please do let me know if I can be of any further assistance.

I hope that you and Mrs. Ferrater Mora are enjoying the summer. I've been having fun being out of school, and getting re-acquainted with Boston.

Thanks once again for the picture. Give my regards to Mrs. Ferrater-Mora, and please keep in luck—

Take care,

[Signatura]
