Dear Professor Ferrater:

On behalf of Dr. William E. Carter and the Hispanic Division, I wish to express my thanks to you for your participation in the Ortega y Gasset and 20th Century Thought Symposium held September 30-October 1 in the Library of Congress. Very complimentary comments are being received concerning that outstanding meeting; much of the success of the event is due to the efforts by you and your colleagues who gave papers or served as discussants during the four sessions of the symposium.

As you are probably aware, much interest has been shown from several directions concerning the eventual publication of the proceedings of the symposium. In this regard I am now writing to you in order to request your permission to use your paper for such a publication. Please let me know as soon as possible if you are willing to do this. I am also taking this opportunity to return a copy of the paper that you presented in the event that you may wish to amend any statement that you made in it.

I look forward to your positive response.

Sincerely,

John R. Hébert
Acting Chief
