Dear Prof Mora,

Please allow me first of all to express all my gratefulness towards you for your kind interest during our conversation.
It was very illuminating to see your standpoint which I will consider very closely in the future.
I do hope that there will be chances to continue the dialogue.
Indeed it is necessary to strengthen the spanish american history of ideas and philosophy.
If there is anything I could do for you here ,please let me know.

With kindest regards to you
sincerely yours

Carl v. Barloewen
