Bryn Mawr, Pa.

Dear Prof. Mora:

I have been unable to reach you by phone, so I write to you, instead.

I understand that, among your various accomplishments, you are a filmmaker of some distinction. I regret that I have not seen any of your films, but what little I have heard has aroused my interest. I am fascinated by motion pictures, and have written a number of screen plays, one of which was produced. (I make my living, however, by teaching college.) I am interested in learning the mechanics of filmmaking, and would be willing to work gratis in some capacity on the set of a film. If you would like to meet, please contact me at the above number, preferably in the evening.

Yours truly,

Stephen Levy
