Mr. George Moore
Secretary
The Hispanic Society of America
Broadway @ 155th Street
New York City, N.Y.

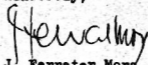

Dear Mr. Moore:

I have been trying, unsuccessfully, to place a telephone call. The reason is the following.

A few weeks ago I committed myself to giving a lecture at the Hispanic Society some time at the beginning of January, under the title "A System of Preferences." I did not realize at that moment that I am due for a Hospital checkup of a tumor. The dates are still uncertain, but it will be some time between January 6 and January 12. I am afraid, therefore, that the lecture will have to be rescheduled, preferably some time after January 15. I suggest any of the following dates: January 16, 18, 23, 25, 29, 30. I will appreciate to hear from you about this.

I am very sorry that the lecture has to be rescheduled (in case, of course, you still wish me to deliver it).

Sincerely,

J. Ferrater Mora
Professor of Philosophy
Fairbank Professor in the Humanities

* Repeated : 16, 18, 19, 23, 25, 26, 30.

be sure that he will come up with it, with all the necessary details. His knowledge of bibliographical sources is truly astounding. He can handle several languages (besides the English and Spanish which he is fluent), and can compile bibliographies on authors and subjects which are a masterpiece of rigor and information.

I recommend Mr. Montoya unreservedly, and I very much hope that he will be able to pursue studies in a field in which he is already a master.
