Dear Sirs:

Quite a long time ago I ordered from your catalogue 5 Intellevision cartridges, the ones underlined green in the enclosed sheet. I also paid in advance by check, which has been cashed.

Up to the present I have received only two of these cartridges. The ones marked in red, namely:

MAT3579
MBT3408
MAT3760

have not been received.

I will appreciate news on the above at the earliest possible date.

Very truly yours
