Professor Frank Durand
Chairman
Department of Hispanic and Italian Studies
Brown University
Providence, R.I. 02912

Dear Professor Durand:

I understand that Professor Enrique Sacerio-Gari, presently in the Department of Spanish at Bryn Mawr College, is being considered for a position at Brown University.

Professor Sacerio-Gari did not mention my name in his *Curriculum* because of my absence at the time when he sent it to you. Having learned of his interest in a teaching position in your Department, I hasten to inform you that I unreservedly support him as an excellent teacher who has already contributed significantly to the understanding of contemporary Latin American Literature.

Sincerely yours,

Jose Ferrater Mora
Emeritus Professor at
Bryn Mawr College
