Clerk of Court
United States District Court

Dear Mr Kunz:

I am pleased to inform you that I have known Dr. Luis M. García-Barrío for the last fifteen years and I have worked with him in various projects, including translation of texts from English into Spanish and from Spanish into English.

I can certify, with no reservations, that Dr. García-Barrío is a person in whom one can trust fully. His moral character is unimpeachable. His is absolutely reliable in all his commitments.

As a Spanish native, and as a PhD in Spanish Literature, Dr. García-Barrío knows Spanish admirably. Because of his long stay in the United States and his work, he knows English perfectly. It should be noted that he is completely at ease in translation, both from Spanish into English and from English into Spanish, and this, of course, in speaking as well as in writing.

I can think of no other person as adequate as Dr. García-Barrío for bilingual interpretation.
