

6/4/63

Dear Mr. Ferrater Mora,

Having been unable to reach you before I left school, I am writing to tell you that the dean's office has extended my extension, so that my paper for your 101 course will be in the dean's office by Monday, the 24<sup>th</sup> of June.

Miss Jeffcken asked that of find out from you whether you intend to read it yourself or have someone else do it, and if as, who. I would appreciate it very much if you would let me know.

I'm sorry to put you to so much trouble. I'll try to make the paper worth it.

Sincerely,

[signatura]
