Dear Professor Ferrater-Mora:

Thank you for your letter of 28 April 1971. I look forward to getting Professor Nahm's bibliography when it is ready.

It should certainly have a biographical survey as a preface. I had in mind something more like a summary-article of his works and leading ideas or positions. Rieser wrote on Munro in the Fall 1964 issue and Pepper gave his own autobiography in aesthetics in Spring 1970. Something like either one is what I had in mind. But neither is essential and the biographical material will do.

Sincerely,
