Dear Mr. Ferrater:

It is my pleasure to send you the enclosed certificate in recognition of the Honorable Mention your film "Skin Of The Earth" received in our 46th PSA-MPD American International Film Festival.

I enjoyed seeing your film at our Dallas convention last week and congratulate you on producing such a fine film and having the judges vote it an Honorable Mention citation.

You also receive a Bronze Medal which you will find in the corrugated stiffner board.

Sincerely,

E. H. Millmann, Chairman
