**Eminent Colleague,**

As you probably already know through prior correspondence, the Brazilian Institute of Philosophy intends to carry out the mission given it by the Interamerican Society of Philosophy during the late Congress of Quebec, of organizing the VIIIth Interamerican Congress of Philosophy in Brasília, from October 30 to November 4, 1972.

We call your attention to the fact that this Congress will be part of the solemnities in honour of the 150th anniversary of Brazil's Independence.

For a greater success of the Congress, the Brazilian Institute of Philosophy decided to make special and official invitations to distinguished personalities of European and American culture.

In this case, of course, your name could never be forgotten, and so we are now inviting you to be one of the main rapporteurs.

According to your decision, please let us know about the possibility of your presence among us, in order to permit us to send you, in proper time, a plane ticket from your town to Brasília, via Rio de Janeiro. The expenses of your permanence in Brasília will be, of course, responsibility of the Institute.

If you, eminent colleague, agree in accepting our invitation and conditions, we beg you to communicate us as soon as possible your decision, as well as the subject you will speak about, chosen among the themes included in the joint list, sending in your paper till June 30.

Any correspondence should be addressed to:
