Dear José:

Since I received a lovely Russian postcard from Priscilla just the other day, I assume that you are still travelling in Europe. I hope that all is well with both of you and that you are enjoying your vacation thoroughly.

We have recently returned the books we had left over. Enclosed is an accounting of them. Once again let me say that I appreciate very much your generous gift to me of a copy of those titles. I only wish I had had the presence of mind to have obtained your signature on at least some of them. Enclosed also is a student's check for the purchase of one book.

If there is anything I can do for you, please let me know. Tell Priscilla that I appreciate her remembering me and that I'll be calling her.

Yours cordially,

Miguel González-Gerth
Acting Chair
