Dear Miguel:

Thank you for your letter of October 28, and for the invitation to lecture on Ortega, talk informally on novel-writing, and show some of my films.

It gives great pleasure to me to accept. There is plenty of time to set up the exact dates during the spring of 1984, but I may anticipate the title of my Ortega talk: "Ortega on knowing and living." As to the informal talk on novel-writing, it may be in Spanish or in English, as you see it fit. If in English, I would provide a Xerox translation of one or two chapters of Claudia, mi Claudia as illustration. Films to be shown will be selected on time for proper announcement.

Thank you again. Looking forward to seeing you,

Cordially,
