Prof. J. Ferrater Mora
Bryn Mawr Collage

Dear Prof. Ferrater Mora,

Here is an early draft of my paper "Choice without Preference". The present version is about 15 pages longer (containing a good deal more historical material), but I am still not quite satisfied with it. There are gaps that need filling. Any suggestions or comments you may have will greatly interest me. Once the thing is done to my satisfaction, I will publish it.

Thanks for your kind display of interest.

Yours sincerely,
