DEPARTMENT OF PHILOSOPHY

September 15, 1983

Professor Nicholas Rescher  
American Philosophical Quarterly  
Department of Philosophy  
University of Pittsburgh  
Pittsburgh, Pennsylvania, 15260

Dear Nicholas:

I enclose herewith an article, "On Knowing One's Way About," on (and partly against) Ortega y Gasset's epistemological views. 1983 is the centennial of the Spanish philosopher's birth and I thought the APQ might be interested in a (hopefully serious) analysis of his thought.

With best wishes,

Cordially,

  
José Ferrater Mora
