Dear Professor Ferrater-Mora:

Thank you very much for your letter of December 24. We are delighted that you are able to accept our invitation to deliver the Weinberg lecture sometime during the 1980-81 academic year. Before settling on a time or a topic, I should consult the other permanent members of this Institute. They are not all in town right now and I am myself on my way to Stanford for a few months as a visiting professor. I shall turn your letter over to Professor Emmett Bennett who will be acting as director in my absence. You can expect to hear from him sometime within the next month.

I am personally happy that you are coming to Madison next year and look forward to making your acquaintance then.

Sincerely,

Robert M. Kingdon,  
Director
