

Dear PRISCILLA & Jose'

welcome back. Hope
you had a lovely trip.

looking forward to seeing
you both soon.

DEAR JOSE',

Thank you FOR letting
me use your "Carrel EMERITUS."
I'VE left Gretchen with a box full
of your mail. The only potentially urgent
order of business had to do with your
presence on M. Phillip's Prelim Re-
examination - but it was all a mistake
and MR. Kline arranged FOR someone else

to take your place. Otherwise I truly
appreciated the isolation that the study
cave afforded me. I have left
the key with Mrs. Silva.

Best regards,

Gary

P.S. Both Lynne Calderone and
ERIC v. d. LUFT are interested
in joining the Willowbrook Circle
Arbeitsgesellschaft.
