Dear Mr. Rose,

This note will I hope catch you before you leave Barcelona. I am writing to ask whether you would make the trip and the interest to take a brief trip from Paris to London for the College in November. The occasion is the installation of the Queen Mother as Chancellor of the University of London and the date is Nov. 23 and 24.

If I cannot come we have been asked to nominate a 'senior person'. I wrote Rien for the placing that she might...
be able to stay over but she

cannot (she sails from Bremen
Nov. 15th) you need not feel
that this is an average week
which you have to carry out
if it would mean stress upon
we would like to be represented
there but we need not be. Of course.

Wed the 23rd after dinner is
one of the schools at the Lieutenant's
house is a reception at the Secret
House for the Queen Mother. The
next morning is he in London
followed by lunch in the Guild
Hall and in the evening a
reception given by the Queen
Mother at St. James Palace.
I'd like to be there!—but I
can't be away there nor could
OfC afford to send me. You
are nearer and we would}
course want you to keep track of your expenses which we could afford to pay and would send you via the American Express or your bank. I wish you would send an answer to me here at Pershing Lake Recreone, for our answer to the University must go the first week in September.

Thank you for your good letter.

And with best wishes,

Katharine Balch
