Dear Mr. Rosa,

This note will I hope catch you before you leave Barcelona. I am writing to ask whether you would have the time and the interest to take a brief trip from Paris to London for the College in November. The occasion is the installation of the Queen Mother as Chancellor of the University of London and the date is Nov. 23 and 24.

If I cannot come we had been asked to nominate a "senior person". I wrote Miss Taylor thinking that she might

be able to stay over but she  
cannot (she sails from Barcelona  
Nov. 11<sup>th</sup>) you need not feel  
that this is an emergency need  
which you have to carry out  
if it would inconvenience you.  
We would like to be represented  
there but we need not be of course.

Wed the 23<sup>rd</sup> after dinner &  
one of the schools at the University  
there is a reception at the Lunch  
Hours for the Green Mothers. The  
next morning is the installation  
followed by lunch in the Guild  
Hall and in the evening a  
reception given by the Green  
Mothers at St. James Palace.  
I'd like to be there! - but I  
can't be away then nor could  
DUC afford to send me. You  
are nearer and we would of

course want you to keep track  
of your expenses which we  
could afford to pay and would  
send you via the American  
Express or your bank.

I wish you would  
send an answer to me here  
at Passaic Lake Passaic, for  
our answer to the University  
must go the first week in  
September.

Thank you for your  
good letter.

And with best wishes,  
Sincerely,

Katherine A. Reid
