Dear Mr. Mora

This note will I hope match you before you leave Barcelona. I am writing to ask whether you would have the time and the interest to take a brief trip from Paris to London for the College in November. The occasion is the installation of the Queen Mother as Chancellor of the University of London and the date is Nov.23 and 24.

If I cannot come we have been asked to nominate a "senior person". I wrote Miss [Taylor?] thinking that she might be able to stay over but she cannot (she sails from Barcelona Nov. 11th) You must not feel that this is an assignment which you have to carry out if it would inconvenience you. We would like to be represented there but we need not of course.

Wed the 23rd after dinner at one of the schools at the University there is a reception at the Senate House for the Queen Mother. The next morning is the installation followed by lunch in the Guild Hall and in the evening a reception given by the Queen Mother at St. James Palace. I'd like to be there! –but I can't be away then nor could BMC afford to send me. You are nearer and we would of course want you to keep [frocks?] of your expenses which we could afford to pay and would send you via the American Express on your bank.

I wish you would send an answer to me here at Pocono Lake Preserve for our answer to the University must go the first week in September

Thank you for your good letter
And with best wishes,
Sincerely,
