Dear Professor Mora:

I am again disturbing your well earned peace to ask you to send a letter of recommendation in support, this time, of my application for a fellowship from the ACLS. They will need to have it within ten (10) days of my sending the application, which will be sent out on October 2nd. I am enclosing, as before, a brief description of the project for your examination. It would be of great help to me if you send me a copy of your letter that I can present to my Chairman and Dean when the moment of negotiation for matching funds from my school comes. If you prefer that I do not view your letter of recommendation please send it in a sealed envelope. But do not send it direct to the Chairman or Dean at Georgia State, it is of the essence that it go through channels.

I have enclosed a gummed label addressed to ACLS so that you may use the same envelope that this is being sent to you in. This is to limit the number of folds in your recommendation which seems to be of concern for ACLS.

Thank you again for your friendship and support

Cordially,

Angel
