Dear Mr Penner,

Mrs. Furtwengler, James's tutor, said to tell you he studied hard, she enjoyed working with him and he knows his work now.

The enclosed check is what is left of the \$250. I also enclose the check you sent which we did not need.

We had to send the bicycle uncrated as we had no crate. But it arrived here in bad condition crated and my father spent hours & hours getting it into shape - so perhaps it will arrive better this way.
