Dear Professor Ferrater Mora,

I am not quite sure if I already acknowledged the receipt of the *DICCIÓNARIO DE FILOSOFIA*. To make sure, I wish to express you, herewith, my sincerest thanks for it. I sent your book to the editor of the Rowohlt series, Professor Grassi; he wants to take a look at it in view of a possible publication of a translated version in the Rowohlt series. As you wrote in your letter of May 5th you will go to Paris soon. My assistant, Dr. Wisser, and I plan to visit you there on August 20th, at rue d'Orléans 22. Would you please tell me if you will be there on that particular day. I also hope my books will have reached you.

Looking forward to meeting you, I am, as always,

yours very sincerely,

F. J. von Hintelen
