Dear Professor Ferrater Mora:

I have recently had an opportunity to read your interesting article in the January issue of Ethics, and thought you might like to know of a limited program of research grants the Foundation awards in the field of Legal and Political Philosophy. I therefore enclose a statement concerning this program, together with an application form.

Grants under this program are limited to scholars on the postdoctoral level for full-time research during an academic year.

I look forward to hearing from you should you have any comments on the statement or should you wish to bring your research plans to our attention. We should also be pleased to have any suggestions regarding scholars we might consider as eligible under our Program.

Sincerely yours,

Kenneth W. Thompson
