Professor Ferrater-Mora:

Take the turnpike to the Harrisburg East exit. This puts you on by-pass 230, which terminates in V.S. 22. Turn left on 22 and keep on it then Harrisburg; eventually (by the river, I believe) it turns into 322\*. This goes right into State College, by way of Lewistown. It is about 4 – 4 ¾ hrs from the Phila. Exit on turnpike to State College, depending upon driving conditions.

I enclose a map of State College, which will show you how to get to your hotel, the Nittany Lion, where you have a reservation. As soon as you have arrived, please call me at Adams 7-4223 and I will take you to lunch if you have not yet had any. We look forward to a pleasant day and an evening of informal conversation.

Sincerely,

Stanly Rosen
