Dear Professor Ferrater-Mora:

In behalf of the Executive Committee for the Society for Phenomenology and Existential Philosophy I am extending to you an invitation to participate in the Sixth Annual meeting of the Society, which is to be held at Purdue University, Lafayette, Indiana on October 26-28, 1967. You have been highly recommended as a main speaker not only by members of the Executive Committee but by other members of the Society. We would like to have you present a paper at the opening session on Thursday, October 26, at 2 p.m. We are giving you the freedom to select whatever topic you would deem to be suitable. We will select a commentator for your paper after we learn what your chosen topic will be. We are asking the main speakers to limit their papers to 50 minutes and commentators to limit their discussion to 10 minutes, so as to provide ample time for discussion from the floor.

We hope that you will be able to accept our invitation to participate. Please let me know at your earliest convenience if you will be able to do so. Also, submit the specific title that you would want to have appear on the program.

Sincerely yours,

Calvin O. Schrag
