Dear Dr. Ferrater Mora:

On behalf of the students who were gathered to hear your discussion of the nature of religious may I offer my most sincere gratitude to you for a most thoughtful presentation. It was one of the most thorough and penetrating discussions of the subject which I have heard to date. I know that the students very much appreciated your taking the time and trouble to come to meet with us. I hope that you felt the discussion afterwards to be a fruitful one.

Cordially yours,
