

January 5, 1966

Dear Mr. Ferrater Mora,

You will be hearing shortly, if you have not already, from Mrs. I Hayne Houston, a New Canaan alumna, daughter of one & mother of one (Class of 1964). The Houstons are hoping you will honor them with your company the night of January 26.

I am enclosing time tables for your perusal. The best of the trains is the 9:00 from Philadelphia which stops in Stamford at the 6:46 pm, no changing anywhere! Your schedule will dictate trains, though, and if you have to go to New New [sic] York, then change, you must needs head for Grand Central Station & a train for Stamford, Connecticut.

The Westchester County (NY) ladies are working in luncheons after the lectures, and will be responsible for getting you on a train for Philadelphia. We cannot say enough time how much we appreciate you coming this weary way on our behalf.

Best wishes,
[signatura]
Mrs. T. Guthrie Speers Jr.
