Dear José,

Would you please express my thanks again to Mr. Medina for driving me to the Conference at Penn State and back again? The drive was very pleasant, and I enjoyed the discussion on the way, and also driving through the Pennsylvania Dutch countryside. Thank you also very much for arranging it.

I enclose a check for my expenses. I think that the lunch with tip would be \$1.75, and the \$6.00 additional is

to go ^{toward} for gasoline expenses. If
this amount is not sufficient,
would you please let me know?

Thank you again for making
it possible for me to attend
the conference!

Very sincerely,
Isabel Stearns
