Dear José,

Would you please express my thanks again to Mr. Medina for driving me to the conference at Penn State and back again? The drive was very pleasant, and I enjoyed the discussion on the way, and also driving through the Pennsylvania Dutch countryside. Thank you very much for arranging it.

I enclose a check for my expenses. I think that the lunch with tip would be \$1,75, and the \$6,00 additional is to go forward gasoline expenses. If this amount is not sufficient, would you please let me know?

Thank you again for making it possible for me to attend the conference!

Very sincerely,
