Dear Professor Ferrater Mora:

The editor of the "Anchor Review" is Jason Epstein; its address, 575 Madison Avenue, New York 22.

The editor of "New World Writing" was, in 1955, Mrs. Arabel J. Porter; and probably still is, but I can't find any later information. Its address is: The New American Library of World Literature, Inc., 501 Madison Ave., New York 22.

Good luck to "The Intellectual"; And good luck to "Man at the Crossroads" on its third birthday (I reckon your finishing it the first, and its publication in Spanish the second).

Erich Auerbach died suddenly a few days ago; and day before yesterday I went to New Haven to attend the memorial service for him at Yale. It was conducted in better taste than anything of the kind that it has been my lot to attend before - happily enough, for he was a man of taste.

Yours sincerely,
Willard R. Trask
