Professor José Ferrater Mora
Department of Philosophy
Bryn Mawr College
Bryn Mawr, Pennsylvania

Dear Professor Ferrater:

Please accept my belated but very warm thanks for your valuable contribution to our session on Nationalism in Twentieth-Century Spain, at the A.H.A. meeting in December. I thought we had a surprisingly good attendance, all things considered. Many people told me since that they were impressed by the high quality of the discussion. Much of the credit for this goes to you.

With best wishes,

Sincerely,

Arthur P. Whitaker
