Dear Mr. Ferrater-Mora:

I know it is too soon to expect any word from you on the Lipp manuscript. I merely thought I would suggest that if the manuscript seems very good to you and clearly deserving of publication, and if you should find that you will be able to finish your report by June 3, I would appreciate it very much if you would let me know this by calling me collect next Tuesday, if that is convenient for you. (My number is UNIVERSITY 8-7600, extension 2611.)

We will be drawing up on Tuesday our agenda for the June meeting of our editorial board, and if Mr. Lipp's manuscript is a likely and feasible candidate for acceptance at that meeting I would like to include it in the agenda: that is why I am troubling you.

Sincerely yours,

*Maud Wilcox* LA
