Dear Prof. Ferrater Mora:

Leon Olive sent me a copy of your letter of January 25, indicating that you won't be able to participate in our symposium on cultural relativism and philosophy. I am very sorry for that.

I hope, however, that the personal reasons you mention won't prevent you from contributing a paper to the volume we are going to publish in the wake of the symposium. Could you please send me your title, as negotiations with publishers are in course?

Yours sincerely,
