Dear Dr. Cairns:

Thank you for your letter concerning my doctoral thesis.

I think that Professor Ferrater Mora's plan is quite satisfactory to me. In January I will go to the United States and I will visit him at Bryn Mawr to discuss the nature of my doctoral dissertation and to receive his advise. I will write him before I make the trip. Later, I will send him the first draft of the dissertation for his consideration and then its final version for his report to you and the Faculty.

I also think that it would be of help the additional advise and criticism from a member of the Graduate Faculty.

Sincerely yours,

Miguel A. Charneco
