

STATE UNIVERSITY COLLEGE
ONEONTA, NEW YORK 13820

Nov. 2, 1983

Dear Ferrater:

Please accept this copy of the remarks made by me at Syracuse on Oct. 10.

I have heard that there is a possibility that the papers read during the homage may be published either by Syracuse Scholar, or by a journal published by Indiana University (Penn), but am not certain of this.

With many best wishes to Priscilla -

Sincerely,

Demetrius
