Dear Joe,

Do you have an abstract of your paper "On Practice"? We would like to send copies to some of the departments that are likely to be interested. Your paper is mimeographed and already generating considerable interest.

Could you also send me some biographical information. I consulted Who's Who in America, but if you have something already prepared, it would be preferable.

Looking forward to seeing you soon. I hope the arrangements I wrote to you about previous are agreeable.

Sincerely,
Kath
