Dear Joe,

I received your letter of June 15 today. Am delighted that you will be able to come to the University. The Chairman of the Department of Romance Languages will write you once the administrative details are settled.

We are leaving for Maine this Saturday and will not return until the first week in August. In case there is some reason for you to write, my address is: % Lewis Bunker Roberts, Sea Street, Rockport, Maine 04856. We have rented a small house on the harbor and, since it gets quite hot here in the summer, it will be a joy. Mr. King-Jonells is leaving for Madrid next week and won't be back until the end of August. Maybe we can try to settle on a topic then.

Sounds as if you have been and intend to be very busy. I am working on a couple of articles related to some previous work and the book ^{on Lewis Carroll}. I wrote to you about with regard to a recommendation for a ACLS grant. I did not get the grant but have some support from the University here so maybe I will have some chapters to show

you when you are here.

With best wishes and warmest regards.

Sincerely,
L. A. H.
