Dear Professor Ferrater-Mora:

We plan to start our subscription campaign about September 1. We shall mention in our letter the names of those who will contribute to the first issues. In this connection may I ask you to send me the names of the authors who will be representing the Spanish speaking countries with articles in the first issues of Man and World.

I would appreciate very much having your opinion on the hierarchy of the importance of their prospective contributions since in the first issues we plan to use the best possible contributions only.

I would very much like to have your opinion also on the possibility and advisability of including the Portuguese language in the journal (Brazil).

Hoping to hear from you soon.

Sincerely Yours,

Joseph J. Kockelmans
